## VIDEO SUBMISSION / FILMING REQUIREMENTS

VIDEO QUALITY	The quality of the recorded video should be 1080p and 60 frames per second, minimum.
CAMERA PLACEMENT	<p>Please refer to GymBC's Return to Competition document for full details.</p> <p>During the routine, the camera must be static, with no zooming in/out. The device should be zoomed out, so the entire apparatus and performance is visible in the frame.</p> <p><a href="https://media2.surreygyim.com/wp-content/uploads/2022/02/18152022/GymnasticsBC-Video-Requirements.pdf">https://media2.surreygyim.com/wp-content/uploads/2022/02/18152022/GymnasticsBC-Video-Requirements.pdf</a></p>
RECORDING	<p>Coaches will hold up a whiteboard/paper with the password/symbol, athlete name and club name in front of the camera, before the athlete presents and performs their routine. One continuous video for each event apparatus from showing of password/symbol to dismount presentation to the camera.</p> <p><b>The password/symbol will be emailed out on February 24<sup>th</sup> in the evening.</b></p>
VIDEO UPLOAD	<p>YouTube link submissions should come from your club's YouTube account</p> <ul style="list-style-type: none"> <li>• <b>YouTube may limit to the number of uploads that can be done in a 24-hour period to some accounts (but not consistently). Suggested fixes include not uploading all your routine submissions on the final day of the competition parameter dates or having multiple YouTube accounts for your club (I.E.: one for each group or for each coach)</b></li> <li>• Each video should be YouTube labeled as '<b>unlisted</b>', not 'private' or 'public'. This will allow the competition administration and the judges access to view the routines, without compromising the athlete's privacy.</li> </ul>
VIDEO LABELLING	<p>MAG/WAG Video label format:</p> <ul style="list-style-type: none"> <li>• Discipline_Category_Birthyear_Apparatus_AthleteName_Club</li> </ul> <p>Example: WAG_JO8_2004_Beam_SallySmith_MyGymClub</p>
